Dear Mr. Lin Wood,

Per your request, I have conducted an opinion of value for Cotton Hall Plantation and Huspah Plantation properties.

This evaluation was completed to the best of my ability and I believe the estimates to be true and correct; my evaluation was conducted by using the comparable sales approach and relying on my personal knowledge of the local market's demand for historical properties such as these. Enclosed with this letter is my background and brokerage experience.

Based upon my findings and my opinion of value, I would recommend the following:

Cotton Hall - Recommended list at \$5,100,000 with an expected sales price in between \$4,800,000 to \$4,900,000.

Huspah Plantation - Recommended list at \$3,972,000 with an expected sales price in between \$3,700,000 and \$3,800,000.

If you have any questions regarding this information, please feel free to contact me at any time.

Sincerely,

Todd L. Crosby
